

Attract and hire advancement superstars.

How do you match the right candidate for the job? Without the key insights to make better hiring decisions, you're increasing your risk of hiring the wrong candidate. Over time, you're contributing to the ineffectiveness of raising funds and donor retention. As **Certified PDP ProScan** experts, we can help identify the behaviors, motivators, and energy levels of individuals.

PRECISION SEARCH, HIRING, AND ONBOARDING

We help you to attract top talent and make better hiring decisions. You can leverage insights from our PDP reports to create job models and design an optimal onboarding process for each role.

PERFORMANCE RETENTION

We help you to make sound recommendations on initiatives to improve engagement and retention of top performers based on insight gained from individual and team reports.

DYNAMIC LEADERSHIP AND TEAM DEVELOPMENT

We help leaders gain self-awareness and tailor a development plan for executives and teams. You will also gain a deeper understanding of your donors to make interactions with them more meaningful.
