

ARRESTED

Hearts pound as the church service is interrupted by harsh banging on the front door. Over 100 dedicated believers brace themselves for what will happen. The secret police squad (formerly the KGB) have come to make arrests, take names, film the participants and abolish the church.

With a video camera to document evidence for future prosecution, the agents began their interrogation.

"Admit what you are doing here!" demanded the lead agent to Pastor *Yucef (not his real name). "Explain why you are leading this illegal church!"

Yucef (age 32) began to share his life story of abuse & drugs, explaining his former life without hope from a cultural Muslim background. The officer filming Pastor Yucef's confession broke down and began to weep. Yucef was also defining her background. Hopelessness pervades the culture. In fact, this country has one of the highest teen suicide rates in the world. The officer could see that here was the real answer. She turned off the camera and asked the "hit" squad to leave and let these people worship Jesus.

This is the power of the gospel and the work of a DCPI church plant in this country where the believers in this new church live in danger, so no names. Pastor "Yucef" went back to leading worship, singing, praying and leading young men and women to a saving knowledge of Christ.

This pastor is training hundreds of other pastors in central Asia and has a vision for 6,000 new churches in the region. We are helping him. God's Spirit is making it happen.

Is your investment in DCPI a good one? Yes, it's an eternal investment. The DCPI trained leaders in Muslim majority nations live in constant threat. DCPI church plants are "lighthouses" in some of the darkest places around the world. God built a force field around this church plant and Pastor Yucef was delivered from arrest, no doubt physical abuse and jail time.

At this moment, DCPI is closing in on training enough leaders to plant the one millionth church around the world. Help us and Pastor Yucef today and nearly one million other pastors and church leaders to reach this world for Christ.

You Can Be A World Changer For Jesus!

- Help equip leaders to plant one million dynamic and healthy churches by 2020!
- You can change our world through planting churches!

Why New Churches?

- Jesus said, "I will build my church...!" (Matthew 16:18)
- The population of the world has tripled in less than a century.
- New generations need fresh expressions of the church.
- Threats from radical Islam and Hinduism are real. The gates of Hades will not overcome the church!
- God wants to use us to double the number of churches on the planet!

Who We Are and How It Works

- DCPI is an international team of over 600 Master Trainers and thousands of Certified Trainers on every continent and in 131 countries of the world.
- We equip leaders to plant dynamic churches worldwide. Our Training Tracks are very effective. While some of the leaders we train do not plant any churches, others plant many churches. The average is 2.55 churches planted for each leader trained based on our research in several countries.
- We equip and empower local trainers to equip their people.

Equip Local Leaders To Plant Their Own Churches and Train Their Own Leaders

- "And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others." 2 Timothy 2:2
- By God's grace, 1,768 house churches have been planted in Pakistan (the fifth most persecuted country of the world) in just this past year!
- Over 16,000 churches have been established during the last four years along the Ganges River in India where over 450 million people live.
- Leaders in Malawi, the 9th poorest country in the world, trained 1,071 church planters in 2018 and opened Mozambique with DCPI training as their part in fulfilling the Great Commission.
